Dear Valued Sponsor:

Wow! That was an amazing Oakfield Labor Daze!

As you know it was a huge goal for the Oakfield Betterment Committee moving Labor Daze back to its home in Triangle Park. It was a challenge worth meeting and because of companies like you, we were able to accomplish that goal. Our 35th Annual Oakfield Labor Daze was a huge success.

Highlights from Labor Daze included the return of a community favorite, The Skycoasters band, amazing non-profit food vendors including the Elba Boy Scouts, Oakfield Lion's Club, our own Oakfield Betterment booth and Alex's Lemonade Stand, which was able to raise over \$11,000 for Child & Pediatric Cancer research, and a spectacular Fireworks show to cap off the weekend.

Thank you once more for your generous sponsorship. Your support is not something we take lightly and is very much appreciated by everyone connected with the Oakfield Betterment Committee, Town & Village of Oakfield Officials and the entire Genesee County area.

Very Best Regards,

Oakfield Betterment Committee
